We are recruiting!

We are looking for a dedicated and passionate teacher.

Fitzwaryn is a small (but growing!) friendly and extremely successful school for 111 young people aged 3-19 with a range of learning difficulties, including moderate and severe learning difficulties, PMLD and autism. We received our fourth 'Outstanding' OFSTED in March 2019. We can offer you the opportunity to teach within a forward thinking and very supportive team with excellent opportunities for professional and personal development.

The Governors of this thriving school wish to appoint a suitably qualified and enthusiastic full time teacher (although part time would be considered) with a passion for excellence to join the Fitzwaryn team. As of February 1st 2013 Fitzwaryn School became part of The Propeller Academy Trust with Kingfisher Special School.

Experience in a special school is desirable although not essential. Many members of our current teaching staff have come from a mainstream background, bringing immense experience to the school. The ability to work within a team is vital. A full induction programme will be provided. This is an excellent opportunity to join an ambitious forward facing school. The post would suit someone who has a great deal of drive and ambition to further enhance the learning opportunities for our pupils.

Fitzwaryn School and the Propeller Academy Trust are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. This post involves the type of work with children and young people that require applicants to undertake a Disclosure and Barring Service check. The possession of a criminal record will not necessarily prevent an applicant from obtaining this post. All cases are considered confidentially and according to the nature of the role and information disclosed

The Propeller Academy Trust is an equal opportunities employer

Start Date 1st January 2020 or we would be prepared to wait until 20th April for the right candidate

Applications welcome from UPS, Mainscale and NQTs
Visits to school welcome
