**Propeller Academy Trust Statement of Intent**

At Propeller Academy Trust, we believe that every child and young person deserves the opportunity to thrive, regardless of their starting point, background or individual needs.

Our purpose is to create exceptional educational experiences that transform lives. Through specialist expertise, ambitious leadership and meaningful collaboration, we empower our schools to deliver the highest standards of education, care and support for every learner.

We are committed to building a family of schools united by a shared belief that all children can achieve, contribute and succeed. By investing in our people, sharing knowledge and innovation, and placing children and families at the centre of every decision, we strengthen outcomes and improve life chances across the communities we serve.

Our work is guided by a commitment to inclusion, integrity, collaboration and excellence. We foster environments where children feel safe, valued and inspired; where staff are supported to grow and lead; and where schools work together to achieve more than any could alone.

As a Trust, our intent is not simply to educate, but to enable every child and young person to develop the confidence, skills and aspirations needed to lead fulfilling and successful lives.
